**Role** Graphic Comedian

---

**Reports to** VP, Content Creation

---

**Description**

Do you love to doodle? Do you find humor in everyday project management scenes?

The communications team is looking for a Graphic Comedian who can identify and translate day to day project management situations into fun illustrations that make people laugh out loud. This can be a combination of line drawings and memes.

We are looking to inject a little more tasteful humor into our members' lives. The Graphic Comedian is a key and unique role within the PMI-CTT Chapter's marketing team which reports to the VP of Content Creation to generate fun visuals that bring laughter to those with a project management background. You should bring your own ideas and be open to accepting ideas from others.

Day-to-day activities include:

- Identifying project management situations that can be portrayed in a comedic light.
- Creating an illustration or meme reflecting the comedic situation in a tasteful, respectful, and copyright compliant manner.
- Attend team meetings
- Interact with other groups to determine opportunities to support their efforts through this playful channel.

---

**Skills and Experience**

- Strong graphical and written communication skills
- Experience in text, image and video editing

---

**Time**

**Commitment**

- The volunteer commitment is for a 1-year period
- 10-15 hours per month

- Expected to generate 1-2 graphical illustrations or memes per week.

---

**Requirements**

- Interview will be arranged with interested volunteers.  
(Please bring samples of your work).
- Must be a PMI-CTT member in good standing; a PMI certification holder is preferred
- Passionate about making people laugh

---

**Benefits**

- Share your unique perspective of the humorous world of Project Management
  - Extensive networking opportunities with Project/Program/Portfolio Management professionals
  - Maintain PMI credentials by earning PDUs
  - Be part of a passionate and engaged team working to enhance the lives of our members.
  - Lead to other leadership roles within the PMI-CTT Chapter
-
